# Benefits of Electronic Giving

1. You are taking a step of faith.

When you sign up for Electronic Giving, you are deciding in advance to faithfully give. God always blesses that kind of faith.

2. You will simplify your life.

You won't have to remember whether you gave this month or need to send an offering by mail when you're on a trip.

3. You will be helping the church.

Every person who gives through Electronic Giving makes our recordkeeping much easier, and more secure.

4. You can focus on worship.

Instead of needing to find your pen and write out a check, you can focus on God during the service.

*"Each one must give as he has decided in his heart, not reluctantly or under compulsion, for God loves a cheerful giver. And God is able to make all grace abound to you, so that having all sufficiency in all things at all times, you may abound in every good work."*

2 Corinthians 9:7,8

## Frequently asked Questions

**Q: How can funds be withdrawn directly from my accounts?**

Only with your authorization. No one can deduct money from your account automatically without your authorization.

**Q: Are electronic contributions risky?**

No. An electronic contribution is safer than writing a check, and it can't be lost, stolen, or destroyed in the mail. All electronic fund transfer (EFT) transactions are governed by strict national rules and guidelines. Over four billion EFT transactions are processed annually in the United States.

**Q: When would electronic contributions be taken from my account?**

Funds will be taken from your account only on the date specified on your Electronic Giving Authorization Form. If any of these dates fall on a weekend, it will take effect the following Monday. The same is true of months without 30 days.

**Q: If I don't write checks, how do I keep my check-book balance straight?**

Your contribution is made on a pre-established date, so you can deduct it from your check record then.

**Q.: What if I change banks or accounts or want to change the amount of my contribution?**

You can change your giving choices at any time by going on-line to [stpaulucctaylor.org/giving](http://stpaulucctaylor.org/giving) and login.

**Q: Is there any charge to me from my bank?**

No. Electronic fund transfers carry no bank fees.

**Q: How can I keep a record of the amount I have contributed?**

Your bank statement will include an itemized list of automatic gifts given from your account. The church will continue to provide you with a personal giving statement for your tax records, or access your online giving record at [stpaulucctaylor.org/giving](http://stpaulucctaylor.org/giving) and login.

**Q: Who do I contact if I have more questions?**

Daniel Case at: [dcase@stpaulucctaylor.org](mailto:dcase@stpaulucctaylor.org) or Gary Peters at: [gpeters@stpaulucctaylor.org](mailto:gpeters@stpaulucctaylor.org)

*"Bring the full tithe into the storehouse, that there may be food in my house. And thereby put me to the test, says the LORD of hosts, if I will not open the windows of heaven for you and pour down for you a blessing until there is no more need."*

Malachi 3:10
