PASTOR'S PEACE

Across America, things are opening up again. And our church is too—slowly, gradually, but surely. Although Sunday morning live-streamed services on Facebook have attracted a consistent viewing audience of 70-90 households and at Easter almost 200 households, who hasn't missed the opportunity to be in a church amid a sanctuary hallowed by time and cherished because of so many personal memories? Resumed worship in the sanctuary will begin on the second Sunday of the new month, June 14th. The Facebook live-streamed services will continue. But it will now also be possible for folks to come to church with certain precautions taken for everyone's safety. In fact, the three worship services scheduled for June are best described as "pilot" services because we will together be figuring out how to best worship safely and meaningfully.

This past week our Council president Michele McNeely sent a letter to all church members and friends detailing some of the precautions that we are putting in place. Only the sanctuary, narthex, and adjoining lavatory are being opened for Sundays as we do gather again. There will be no nursery care provided or coffee hour hosted. For the time-being, participation in services will be limited to approximately 40 worshipers in order to assure necessary social distancing. All are asked to come masked. We will all be entering through the double front door. Ushers will be seating us before worship and dismissing our pews afterwards. All hymnals, cards, and envelopes will be removed in advance from pew racks and even pew cushions will be temporarily stored in the balcony. In lieu of air conditioning, windows will be wide open to enhance ventilation throughout the sanctuary. Finally, the service itself will be kept a little shorter than usual with only members of our choir singing. Offerings, which support our church and its ministry, can be individually deposited in the standing offering box that has stood in our narthex for at least a half-century mostly unused. Fortunately, we kept it. Now we can use it once again!

At the present moment, our Council leadership simply does not know how many church members and friends are inclined to leave home and come to church. As much as we all want to get out of the house, there is persisting hazard for many due to the coronavirus, especially for those over 65 years old who have an underlying medical condition. That's why our congregation will be maintaining the live-streamed services which get posted on our church site. Also continuing will be the copies of sermons mailed to those who don't have Facebook or online access.

In light of our challenge in providing safe worship, church members who would like to attend the pilot services beginning June 14th are asked to call the office no later than noon time on Thursday, June 11th to let us know, making it possible to have an advance "soul count." Since I am in the church office every day, except for errands on our church's behalf, I'll be taking most of your calls. I look forward to talking with you and answering any questions that you may have. If I don't immediately answer the phone because I am away or on another call, please leave a voicemail message. I will get back to you as promptly as possible.

All three pilot services in June are going to give us valuable experience on how to worship faithfully, responsibly, and safely in these very different times. As the health crisis lets up, we may be able to make some modifications in our present approach to worship together. In the meantime, we might also learn from each other better ways that we can worship safely together. Your observations and suggestions are welcomed and appreciated.

A motto for our United Church of Christ is that "God is still speaking." To that wisdom I would add that "God is still working" and "God is still blessing." Every day these difficult times teach me something new. They have stretched all of us, encouraging us to be more creative in our faithfulness to him and Jesus Christ. Although, to God should go all the glory, I am proud of the way that our church, thanks to the talents and diligence of many, has already risen to the challenge of navigating what seemed like an impossible situation amid our nation's health crisis and the shut-down it precipitated. Knowing that we have a great and generous God, I trust that He is going to see us through months ahead to other shores from these troubles.

Please keep our congregation and its leadership in your prayers as we move ahead together in faith.

~ ***Shalom, Pastor Geoffrey Drutchas***

CHRISTIAN EDUCATION EDITORIAL

"As the rain and the snow come down from heaven, and do not return to it without watering the earth and making it bud and flourish, so that it yields seed for the sower and bread for the eater, so is my word that goes out from my mouth: It will not return to me empty, but will accomplish what I desire and achieve the purpose for which I sent it." ~ Isaiah 55:10-11

As the uncertainty of this pandemic lingers, let us not forget the promises of our God. They will forever remain the same, regardless of the pandemic. May the promises of God serve to encourage and inspire us. May they strengthen and sustain us during these uncertain and troubled times.

"The heroes in the Bible came from all walks of life: rulers, servants, teachers, doctors. They were male, female, single, and married. Yet, one common denominator united them: they built their lives on the promises of God. Because of God's promises, Noah believed in rain before rain was a word. Because of God's promises, Abraham left a good home for one he'd never seen. Because of God's promises, Joshua led two million people into enemy territory. Because of God's promises, David conked a giant, Peter rose from the ashes of regret, and Paul found a grace worth dying for.

One writer went so far as to call such saints "the heirs of promise" (Hebrews 6:17). It is as if the promise was the family fortune, and they were smart enough to attend the reading of the will. Jacob trusted God's promises. Joseph trusted God's promises.

Moses trusted God's promises. Their stories were different, but the theme was the same: God's promises were polestars in their pilgrimages of faith. They had plenty of promises from which to pick.

One student of Scripture spent a year and a half attempting to tally the number of promises God made to humanity. He came up with 7,487 promises! God's promises are pine trees in the Rocky Mountains of Scripture: abundant, unbending, and perennial. Some of the promises are positive, the assurance of blessings. Some are negative, the guarantee of consequences. But all are binding, for not only is God a promise maker; God is a promise keeper" (Max Lucado, Praying the Promises).

While our current circumstance may not be good, our God is always good. Let us turn our focus to Him and to the promises He has given us. Things really will look up!

GENERAL ANNOUNCEMENTS

'ROAD RALLY' Service Helps Kick off the New Pentecost Season

A 'Road Rally' Service will help kick off the Pentecost Season for our St. Paul congregation, Sunday May 31st. Although Sunday morning service will still be Facebook live-streamed for ready home viewing, church members are alternatively invited to join a 'Road Rally' in our church parking lot. Those parking in the church lot for the service will also be able to tune in on their car radio to Station 105.5 which broadcasts the service to the immediate surrounding vicinity, or watch the live-streamed version on their phones. In keeping with our Easter practice, those worshipping at home are encouraged to make use of communion bread and juice from their own homes which Pastors Geoff Drutchas and Cheryl Schalm will consecrate through chancel prayers. However, beginning at 9:30 a.m. there will also be a car-to-car distribution of sterile pre-packaged communion kits by Pastors Drutchas and Schalm with assistance from our church elders. Your morning offering can also be received at that time.

Look for the Christian flag in the parking lot procession that morning and just "honk for Jesus" if our pastors or elders inadvertently overlook your vehicle. Since the traditional color for Pentecost is red, church members are asked to wear something red

that morning, as well as festoon cars for the Road Rally with a red ribbon, large or small. Further information will be shared with the congregation through email and our St. Paul website.

St. Paul Church will be opening for Sanctuary Worship in June

On Sunday, June 14th—that's the second Sunday of next month. Our church's reopening will be proceeding with considerable precautions and care. The June 14th worship will be one of three "pilot" services during June that will give us experience with new guidelines to keep us all safe and well. Attendance at these services will be capped at 40 persons. Only the main doors will be used for coming and going. Beyond the sanctuary, the rest of our church will remain closed to activity. On these Sunday mornings there will be designated seating throughout the sanctuary to maintain requisite and consistent social distancing even as we come together with ushers seating and dismissing afterwards. Couples and family members who arrive together will be seated together. Ushers will be on hand to direct proper, safe seating. All attendees should bring masks and hand-sanitizer for personal use, as well as everyone's greater benefit. In lieu of air-conditioning, sanctuary windows will all be opened to enhance ventilation. To make sure that everyone is informed and oriented about the safety procedures we will be using, we invite church members and friends who would like to attend the June 14 service to "volunteer" in advance by contacting the church office (313-291-1221) before Thursday noon, June 11th. The upcoming "pilot" services are very much in keeping with how many churches across the state and nation are thoughtfully seeking to reopen their doors to our shared life in Jesus Christ.

Please keep our congregation and our ministry leadership in your prayers as we look ahead and move forward as faithfully, safely, and creatively as possible.

Throughout the Coronavirus Outbreak our Ministry Together Continues

Although Pastors Drutchas and Schalm and Parish Nurse Kathy Williams are not able to visit hospitals and nursing homes as we usually do because of precautionary lock-downs at all medical and rehab facilities, we are delivering masks and other items to households as needed on a front-porch, drop-off basis. Day-by-day we also remain in touch with our congregation through Facebook, the church website, and one-on-one telephone calls. Please let your pastoral staff know by telephone, text, or email about any special needs that have arisen for yourself or your family where your church family can be helpful. Pastor Geoff continues at his church office every day and can be reached there on the church telephone line. If he's on another call at that moment, he will return your call at his earliest opportunity. Meanwhile, as part of our ministry together, you are also encouraged to reach out to fellow church members through personal phone calls and mailed cards. It is important that we remind each other that we are not alone but part of a true network and care-ring of faith.

Cabinet meets Via Tele-Conference

Our Church Cabinet, bringing together representatives of all church organizations, met via tele-conferencing call last Tuesday evening, May 19, 7 p.m. Church scheduling for the upcoming months was discussed. Plans are now underway for an all-church Tailgate Picnic on July 26th, the customary last Sunday of the month. Activities will be organized that day to ensure healthy social distancing. Also discussed on Tuesday were plans for the fall rummage sale, October 1-3. The fall craft show, set for October 10th, continues to be on schedule, pending developments in the late summer and fall and the committed participation of vendors.

Chancel Choir Meeting Weekly via Zoom

Our St. Paul Chancel Choir has not been able to sing together in worship during these past weeks of live-streamed services only, but they sure know how to stay together. Every Saturday evening at 5 p.m. they are gathering for a shared online zoom call to talk and stay connected as friends. They have always joined to sing a hymn or two and Music Director Tracy Hoffman shared with choir members a preview of the special song he planned to sing for his own mom on Mother's Day.

Summer's soon here—a usual time of hiatus for our choir in worship. None know when they will be next singing together in the sanctuary, but all choir members have a standing invitation to St. Paul "Choir Time" on Zoom every Saturday. For information on calling in, call Music Director Tracy Hoffman or choir member Eileen Vernor Drutchas.

HEALTH MINISTRIES

Message From our Parish Nurse

We are all tired of the continued distancing from one another. We all look forward to the time when we can see and visit one another without masks. Please continue to stay in touch with each other. Eat well, stay healthy, pray, stay strong in spirit, think positive, exercise and get some fresh air outside. We will get through this together. Feel free to contact me if you want to talk with me about a health issue or just to talk. God Bless.

~ Kathy Williams, Parish Nurse, R.N.

Copies of Our Daily Bread June-August are now Available

Our Daily Bread is available in large print and regular print. Please contact Kathy Williams or the church office if you are interested in receiving a copy.

Protective Masks Available

One of the best ways that we can protect one another from the spread of Covid-19 is through personal masking. Along with regular hand-washing and social distancing of six feet, masking will continue to be important as our local community opens up to more daily activity. Most home-sewn masks reduce the possibility of viral spread through coughing and sneezing by at least 60 per cent which provides a significant, even if not perfect foil, for the Covid-19 virus. Every time we halt viral spread in its tracks it's a victory for public health and our mutual well-being. Several St. Paul Church members have put their talents as seamstresses and seamsters to work for the benefit of others. Both Patrick Ferguson and Sharon Leonard have made masks available for Pastor Geoff Drutchas to distribute. Are you in need of a mask? Please contact the church office to arrange a mask drop-off at your front door.

VOLUNTEER OPPORTUNITIES

All donations can be dropped off at the rear of Fellowship Hall for delivery to the ChristNet center. Please contact Pastor Drutchas at the church office (33-291-1221) to drop off items. Thanks

The Fish & Loaves Pantry is still in need of Volunteers

Fish & Loaves is still looking for anyone who can help with client enrollment and food distribution, particularly on Mondays. Due to the pandemic, all food is being individually packed for clients and distributed on a drive-thru basis only with all social distancing precautions taken. Decorated with festive balloons and side-car posters with messages of encouragement, our congregation's members all helped recognize an important milestone in the lives of our young people. The graduates were forewarned about all the honking cars that would soon be descending upon them. Each was out front with family to acknowledge the graduation greetings and good wishes. The spring weather cooperated too. It was a glorious afternoon all-round!

Condolences to the Family of Betty Steinhauer who passed away May 3, 2020 due to Covid-19 infection.
